Class Updates, Alerts & Reminders

Reminder: Please Scan In When You Arrive

We want to make sure your experience here is smooth, safe, and enjoyable! When you arrive, please remember to scan in and select your activities **BEFORE** entering a class, activity or program.

Why is this important?

- Safety first: Signing in allows us to quickly locate you in the event of an emergency
- Communication: If a class is ever cancelled, we'll know exactly who to contact so you receive the cancellation alert.
- Support for our programs: Your sign-in data helps us secure grant funding, which allows us to keep offering the classes and activities you love.

Taking just a moment to scan in helps us keep everything running smoothly and ensures fairness and safety for all members.

We'd love for everyone to get the most out of their classes, so please try to arrive on time. Coming in late can interrupt the flow for the instructor and your classmates, and skipping the warm-up could put you at risk of injury.

Our classes are very popular and often fill up quickly. To keep things fair, we ask that if you sign in, you stay for the full session. Leaving early for another activity means someone else who wanted to attend might miss out. If you have a scheduling conflict, it's best to pick the activity that works best for you that day.

Thank you for being part of our community and helping us make each class the best it can be and making them safe, fun and fair for all!

Book Club will be taking a break during the month of December. Members will meet again January 7th. The next read will be **Mrs. Lincoln's Dressmaker** by Jennifer Chiaverini. Please read the whole book for the meeting.

Memoir Writing Class will also be taking a break during the month of December. Memoir Writing Class will resume on January 6th!

New Programming Note: INDOOR CORN HOLE

Chilly weather can't stop the game-we brought it indoors!
Indoor Corn hole now meets on Thursdays at 2 pm!

Attention: New Policy

Personal Keurig coffee pods are no longer permitted to be used in our Keurig machine

If you'd like a cup of coffee, the approved K-cups are available for purchase at the front desk. We've recently replaced the machine and have been having several issues with the new machine getting clogged. The service technician let us know that some personal pods are not designed for commercial grade machines. They can melt or break down, which causes problems/clogs and leads to costly repairs.

To keep the machine working well for everyone, we're switching to approved pods only. Thanks so much for your understanding and for helping us take good care of our shared space!

Everyone had a wonderful time at the Grateful Gathering on November 21st! Friends gathered together and shared all the blessings that they are grateful for. We are so very thankful and grateful for all of our wonderful members!!

If you would like to receive our newsletter and other announcements via email, please call or visit the front desk to be added to our email distribution list!
