

Seasonal Roadway Excavation Moratorium – Town of Lincoln, RI

Effective Immediately

Due to winter weather and sustained cold temperatures, the Town of Lincoln has **imposed a Seasonal Roadway Excavation Moratorium**. During this period, **no new roadway excavation permits** will be issued, and **non-emergency excavation work** within Town of Lincoln public roadways must pause.

Emergency utility repairs may proceed only with authorization from the **Lincoln Department of Public Works** and must follow temporary patching requirements until full restoration is possible in the spring.

The moratorium will remain in effect **until weather and pavement conditions improve**. A notice will be posted when it is lifted.

For questions or emergency approvals, please contact the **Town of Lincoln Engineering Department** at (401) 333-8415 or bthalmann@lincolnri.org
